

List of Schools: Biochemistry Graduates

CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Biochemistry Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

Doctoral Degrees

- Cornell University, Computer Science Ph.D. Program
- Cornell University, Biochemistry, Molecular and Cell Biology
- Duke University, Department of Biochemistry
- Harvard University, Chemical Biology Ph.D. Program
- Johns Hopkins University, Biochemistry and Molecular Biology
- Massachusetts Institute of Technology, School of Engineering
- Massachusetts Institute of Technology, Department of Chemistry
- Massachusetts Institute of Technology, Biochemistry, Biophysics and Structural Biology
- Pennsylvania State University, Biochemistry, Microbiology and Molecular Biology
- Scripps Research Institute, Doctoral Program in Chemical and Biological Sciences
- Rice University, Biochemistry & Cell Biology Graduate Program
- University of California Berkeley, Dept of Biochemistry, Biophysics, & Structural Biology
- University of California Davis, Biochemistry, Molecular, Cell, & Developmental Biology
- University of California Los Angeles, Department of Chemistry and Biochemistry
- University of California Santa Barbara, MD/Ph.D.
- University of California San Francisco, MD/Ph.D.
- University of Chicago, Biochemistry and Molecular Biophysics
- University of Maryland, Department of Chemistry and Biochemistry
- University of Maryland, Department of Pharmaceutical Sciences
- University of Pennsylvania, Biochemistry and Molecular Biophysics
- University of Texas at Austin, Cockrell School of Engineering
- University of Texas at Austin, Institute for Cell and Molecular Biology
- University of Texas at Dallas, Department of Chemistry and Biochemistry
- University of Texas Health MD Anderson, Graduate School of Biomedical Sciences
- University of Texas Southwestern, Department of Biochemistry
- University of Wisconsin-Madison, Department of Biochemistry

- Vanderbilt University, Department of Biochemistry
- Washington University St. Louis, Dept. of Biochemistry, Biophysics, & Structural Biology
- Weill Cornell Medicine, Graduate School of Medical Sciences
- Yale University, Molecular Biophysics and Biochemistry

Master's Degrees

- Colorado State University, Master of Science in Biochemistry
- Columbia University, Master of Business Administration
- Columbia University, Master of Science
- Edward Via College of Osteopathic Medicine, Master of Science
- KU Leuven, Masters of Biophysics, Biochemistry, and Biotechnology
- Louisiana State University, Master of Music
- Rice University, Engineering Professional Master's Program
- Texas A&M University, Master of Science
- University of Cambridge, Master of Science
- University of Miami, Public Health Sciences
- University of Michigan, Master of Science in Data Science
- University of North Texas Health Science Center, Grad School of Biomedical Sciences
- University of North Texas, Master of Science in Biochemistry and Molecular Biology
- University of Texas at Austin, McCombs School of Business
- University of Texas at Dallas, Naveen Jindal School of Management
- University of Texas Northeast at Tyler, Science
- University of Texas Health Science Center, School of Public Health
- University of Texas Health MD Anderson, Graduate School of Biomedical Sciences
- University of Texas at San Antonio, Interdisciplinary School for Engagement in Humanities and Social Sciences
- University of Zurich, Master of Science

Law Degrees

- Baylor University, School of Law
- Boston University, School of Law
- University of Chicago Law School
- Emory University, School of Law
- Georgetown University Law Center
- St. Mary's School of Law
