

List of Schools: Biology Graduates

CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Biology Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

Doctoral Degrees

- Baylor College of Medicine, Cancer & Cell Biology Ph.D. Program
- Caltech, Division of Engineering and Applied Science
- Cold Spring Harbor Laboratory, Watson School of Biological Sciences
- Columbia University, Biological Sciences Ph.D. Program
- Harvard University, Molecular and Cell Biology
- Johns Hopkins University, Department of Biology
- Johns Hopkins University, MD/Ph.D.
- Massachusetts Institute of Technology, Ph.D. in Computer Science and Engineering
- Max Planck Institute for Ornithology Ph.D. Program
- Massachusetts Institute of Technology, Biological Engineering Ph.D. Program
- New York University, Sackler Institute of Graduate Biomedical Sciences
- Northwestern University, Ph.D. Studies in Life and Biomedical Sciences
- Sam Houston State University, MD/Ph.D.
- Scripps Research Institute, Doctoral Program in Chemical and Biological Sciences
- Stanford University, Department of Biology
- Texas A&M University, Department of Biology
- Texas Tech University, Department of Biology
- University of California - Berkeley, Department of Molecular & Cell Biology
- University of California Berkeley, MD/Ph.D.
- University of California San Francisco, Ph.D. in Biochemistry and Molecular Biology
- University of California Davis, Entomology Graduate Program
- University of California Los Angeles, Graduate Program in Biology
- University of California San Francisco, Ph.D. in Biomedical Sciences
- University of Cambridge, Ph.D. in Biological Science
- University of Chicago, Biosciences Ph.D. Program
- University of Illinois Urbana-Champaign, Social Sciences & Humanities
- University of Michigan, Molecular, Cellular, and Developmental Biology Ph.D. Program
- University of North Carolina, Biological & Biomedical Sciences Program

- University of Oregon, Department of Biology
- University of Rochester Medical Center, Biochemistry & Molecular Biology Ph.D.
- University of Texas at Austin, Institute for Cell and Molecular Biology
- University of Texas Health Science Center, Graduate School of Biomedical Sciences
- University of Texas Medical Branch, Ph.D. in Biomedical Sciences
- University of Wisconsin Madison, MD/Ph.D.
- Vanderbilt University, MD/Ph.D.
- Washington University St. Louis, Department of Biology

Master's Degrees

- Baylor University, Master of Science in Biology
- Baylor University, Garland School of Social Science
- Brandeis University, Graduate Program in Genetic Counseling
- Case Western University, Master of Science in Biology
- Colorado University, Anschutz, School of Public Health
- Columbia University, Mailman School of Public Health
- Cornell University, Graduate School of Management
- CUNY School of Public Health at Hunter College
- George Mason, Master of Arts in Science Communication
- Georgetown University, Masters of Biochemical and Molecular Biology
- Georgia Tech, School of Mathematics
- Imperial College London, Department of Life Sciences
- King's College London, Biomedical and Molecular Sciences
- Mercyhurst University, Master of Science in Data Science
- Mount Saint Joseph University, Department of Nursing
- New York University, Department of Public Health
- Relay Graduate School Education
- Sam Houston State University, Master of Science in Forensic Science
- Texas A&M University, Mays School of Business
- Texas A&M University, Graduate School of Biomedical Sciences
- Tuoro Worldwide University, Science
- University of Alabama - Birmingham, Science
- University of Houston, Department of Social Sciences & Humanities
- University of Houston - Clear Lake, Master's in Biological Sciences
- University of Houston, Cullen College of Engineering
- University of Houston, Master of Science in Biology
- University of Incarnate Word, Master of Science in Biology

The University of Texas at Austin

Career Services

College of Natural Sciences

careerservices.cns.utexas.edu

- University of Maryland, Master of Science in Pathology
- University of Minnesota - Twin Cities, Carlson School of Management
- University of North Texas, Health Science Center, Graduate School of Biomedical Sciences
- University of North Texas, Master of Science in Biology
- University of Pennsylvania, Master of Science in Social Policy and Data Analytics
- University of South Florida, Science
- University of Texas at Arlington, Engineering
- University of Texas at Austin, Economics
- University of Texas at Austin, Engineering
- University of Texas at Austin, Nursing
- University of Texas at Austin, Data Science
- University of Texas at Austin, McCombs School of Business
- University of Texas at Austin, Master of Music
- University of Texas at Austin, Master of Science
- University of Texas Health Science Center, Master of Science in Genetic Counseling
- University of Texas Health Science Center, Graduate School of Biomedical Sciences
- University of Texas Health Science Center, School of Public Health
- University of Texas Health Science Center – Houston, School of Public Health
- University of Texas Health Science Center – San Antonio, Master of Science
- University of Texas at San Antonio – Department of Social Sciences & Humanities
- University of Texas Medical Branch, Master of Science
- University of Zurich, Master of Science
- University of the Incarnate Word, Department of Biology
- UT Medical Branch, Graduate School of Biomedical Sciences
- Yale University, School of Public Health
