

List of Schools: Mathematics Graduates

CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Mathematics Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

Doctoral Degrees

- Baylor University, Department of Mathematics
- Boston College, MD/Ph.D.
- Brown University, Department of Mathematics
- Carnegie Mellon University, Ph.D. in Mathematical Studies
- Cornell University, Department of Mathematics
- Cornell University, MD/Ph.D.
- Duke University, Ph.D. Program in Statistical Science
- Duke University, MD/Ph.D.
- George Washington University, MD/Ph.D.
- Georgia Institute of Technology, College of Engineering
- Harvard University, Math Department
- Massachusetts Institute of Technology, Computational Science and Engineering
- National University of Singapore, Ph.D. in Operational Research and Analytics
- New York University, MD/Ph.D.
- North Carolina State, Department of Mathematics
- Ohio State University, Department of Mathematics
- Pennsylvania State University, Social Sciences and Humanities
- Princeton University, Department of Mathematics
- Rensselaer Polytechnic Institute, Mathematical Sciences
- Rice University, Department of Mathematics
- Stanford University, Ph.D. in Mechanical Engineering
- Stanford University, School of Humanities and Social Sciences
- Stanford University, Department of Mathematics
- Texas A&M University, Department of Mathematics
- Texas A&M University, Ph.D. in Economics
- Texas A&M University, MD/Ph.D.
- Texas A&M University - Commerce, Department of Mathematics
- Texas Tech University, MD/Ph.D.
- Texas Tech University, Department of Mathematics & Statistics
- Tufts University, School of Engineering
- University of California Berkeley, Electrical Engineering and Computer Sciences

The University of Texas at Austin

careerservices.cns.utexas.edu

- University of California Berkeley, College of Engineering
- University of California Berkeley, MD/Ph.D.
- University of California Los Angeles, Department of Mathematics
- University of California Los Angeles, MD/Ph.D.
- University of California - Santa Barbara, College of Engineering
- University of California Santa Barbara, Department of Mathematics
- University of Colorado, Department of Engineering
- University of Colorado Boulder, MD/Ph.D.
- University of Colorado Boulder, Department of Mathematics
- University of Illinois Urbana-Champaign, Department of Mathematics
- University of Indiana, Department of Mathematics
- University of Michigan, Ph.D. in Biostatistics
- University of Michigan, Ph.D. in Survey and Data Science
- University of Michigan, Ph.D. in Mathematics
- University of Minnesota, School of Mathematics
- University of New Mexico, Department of Mathematics
- University of Oregon, Mathematics Department
- University of Pennsylvania, Department of Statistics and Data Science
- University of Pennsylvania, Department of Mathematics
- University of Tennessee, Graduate Studies in Pure and Applied Mathematics
- University of Texas at Austin, Cockrell School of Engineering
- University of Texas at Austin, Ph.D. in Computer Science
- University of Texas at Austin, Oden Institute of Graduate Studies
- University of Texas at Austin, College of Liberal Arts
- University of Washington, Allen School of Computer Science and Engineering
- University of Washington, Ph.D. in Advanced Data Science
- University of Washington, Department of Mathematics

Master's Degrees

- Boston University, Master of Mathematical Finance
- California State East Bay, College of Business and Economics
- Carnegie Mellon University, Mellon College of Science
- Columbia University, Columbia Business School
- Columbia University, Master of Science in Applied Physics and Applied Math
- Columbia University, Master of Science in Enterprise Risk Management
- Fordham University, Gabelli School of Business
- Georgia Institute of Technology, Master of Science in Quantitative and Computational Finance
- Harvard University, Master of Science in Biostatistics
- Illinois State University, Department of Mathematics
- Imperial College London, Imperial College Business School
- Johns Hopkins University, Carey Business School
- McGill University, Department of Mathematics and Statistics
- New York University, Department of Mathematics
- New York University, Stern School of Business
- Northwestern University, Mathematics Department
- Rice University, Jones Graduate School of Business
- Stanford University, Department of Mathematics
- Stevens Institute of Technology, School of Business
- Texas A&M University, Department of Statistics
- Texas A&M University, School of Public Health
- University of California Berkley, Department of Mathematics
- University of Chicago, Master's in Computer Science
- University of Geneva, Section de Mathematiques
- University of Groningen, Department of Behavioural and Social Sciences
- University of Houston, Department of Mathematics
- University of Michigan, Department of Math
- University of Pennsylvania, Department of Mathematics
- University of Southern California, Department of Mathematics
- University of Tennessee - Knoxville, Haslam School of Business
- University of Texas at Arlington, College of Business
- University of Texas at Austin, Department of Mathematics
- University of Texas at Austin, LBJ School of Public Affairs
- University of Texas at Austin, McCombs School of Business
- University of Texas Health Science Center, Department of Biostatistics and Data Science
- University of Virginia, Department of Mathematics
- University of Virginia, School of Education
- University of Wisconsin, Master of Science in Data Science
- Yale University, Department of Statistics and Data Science
