List of Schools: Physics Graduates

CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Physics Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

**Doctoral Degree**

- Boston University, Physics Department
- Caltech, Applied Physics & Materials Science Department
- Caltech, MD/Ph.D.
- Carnegie Mellon University, College of Engineering
- Carnegie Mellon University, Department of Physics
- Colorado School of Mines, Ph.D. in Physics and Applied Physics
- Cornell University, Sibley School of Mechanical and Aerospace Engineering
- CUNY Graduate Center, Ph.D. in Physics
- Harvard University, Department of Physics
- Massachusetts Institute of Technology, Department of Physics
- Massachusetts Institute of Technology, School of Engineering
- New York University, Department of Physics
- North Carolina State University, College of Engineering
- Oregon State University, Department of Physics
- Pennsylvania State University, Department of Physics
- Pennsylvania State University, Engineering
- Pennsylvania State University - University Park, Atmospheric Science
- Purdue University, Department of Physics and Astronomy
- Rice University, Department of Physics and Astronomy
- Stanford University, Physics Department
- SUNY Polytechnic Institute, PhD in Nanoscale Engineering
- University of California Berkeley, Physics Department
- University of California Irvine, Department of Physics and Astronomy
- University of California Los Angeles, Department of Physics and Astronomy
- University of Illinois Urbana-Champaign, Department of Physics
- University of Illinois Urbana-Champaign, MD/Ph.D.
- University of Michigan, MD/Ph.D.
- University of Michigan, Engineering Program
• University of Michigan – Ann Arbor, College of Engineering
• University of Oregon, Physics Department
• University of Rochester, Department of Physics and Astronomy
• University of St. Andrews, School of Physics and Astronomy
• University of Texas at Austin, Cockrell School of Engineering
• University of Texas at Austin, Department of Physics
• University of Texas at Austin, Ph.D.
• University of Texas at San Antonio, Department of Physics and Astronomy
• University of Virginia, MD/Ph.D.
• University of Wisconsin Madison, Department of Physics
• University of Wisconsin Madison, MD/Ph.D.
• Utah State University, College of Science
• West Virginia University, Ph.D. in Higher Education
• West Virginia University, Department of Physics and Astronomy
• Yale University, MD/Ph.D.
Masters Degree

- Colorado School of Mines, Master of Quantum Engineering
- Harvard University, Master of Business
- Johns Hopkins University, Master of Medical Physics
- KAIST, College of Engineering
- Louisiana State University, Department of Physics & Astronomy
- Stanford University, School of Engineering
- Stony Brook University, Department of Physiology and Biophysics
- SUNY Stony Brook University, Graduate Program in Physics and Astronomy
- Texas A&M University, Department of Physics & Astronomy
- University of Cambridge, Department of Physics
- University of Michigan, Engineering Program
- University of Texas at Austin, Cockrell School of Engineering
- University of Texas at Austin, Department of Computer Science
- University of Texas at Austin, McCombs School of Business
- UT Health MD Anderson, Graduate School of Biomedical Sciences
- Waterloo University, Department of Physics and Astronomy
